

Laws of the Small Sided Game - (7v7)

A single line in the left-hand margin indicates Law amendments.

Law 1: The Field of Play

Field Markings:

The field of play must be rectangular and marked with lines. These lines belong to the areas of which they are boundaries.

The two longer lines are called the touch lines; the two shorter lines are called the goal lines.

The field of play is divided into two halves by a halfway line, which joins the midpoint of the two touch lines. The half-line shall be used as the retreat line.

The field and goal dimensions as outlined below shall be considered as desirable guidelines. Failure to conform to the recommended field and goal dimensions shall not be the subject of protest. It is understood and agreed that clubs / teams may be unable to provide the desired fields, equipment, etc. Flexibility is understood and allowed.

Dimensions:

The field of play must be rectangular. The length of the touch line must be greater than the length of the goal line. Recommended field dimensions are as follows:

Width	Length
30 m – 36 m (98.42ft – 118.11ft)	40 m – 55 m (131.23ft – 180.44ft)

The Goal Area:

The goal area is the same as the penalty area.

The Penalty Area:

Two lines are drawn at right angle to the goal line, five (5) metres from the inside of each goal post. These lines extend into the field of play for a distance of twelve (12) metres and are joined by a line parallel with the goal line. The area bounded by these lines and the goal line is the penalty area.

Within each penalty area a penalty mark is made nine (9) metres from the midpoint between the goalposts and equidistant to them.

Penalty Arc

An *optional* penalty arc with radius five (5) metres from each penalty mark is drawn outside the penalty area.

Flag posts:

A flag post, not less than 1.5 m high, with a non-pointed top and a flag must be placed in each corner.

Goals:

A goal must be placed on the centre of the goal line.

A goal consists of two upright posts equidistant from the corner flag posts and joined at the top by a horizontal crossbar.

The size for goals are as followed:

Width	Height
4.8m (16 ft)	1.8m (6 ft)

Safety:

Goals must be anchored securely to the ground. Portable goals may only be used if they satisfy this safety requirement.

Law 2: The Ball

Size 4 balls or 5 light balls can be used.

Requirements for balls size 5 light:

Weight	Circumference
350-370g	68-70cm

If a ball becomes defective during the match, the match is stopped until a replacement ball is found. Play is restarted by dropping the replacement ball at the place where the original ball became defective.

Law 3: Number of Players

A match is played between two teams where one of the players on the field must be designated as the goalkeeper. The minimum, maximum number of players and roster size are listed below:

Minimum number of players	Maximum number of players	Maximum Roster Size

- the player shall leave the field of play
- If the referee has stopped play, it is restarted with an indirect free kick for the opposing team from the position of the ball at the time of the stoppage.

Non-uniform clothing is allowed based on weather conditions, but uniforms must still distinguish teams.

A player who is asked to leave the field of play because of defective or dangerous equipment may not re-enter the field of play until the referee is satisfied that the equipment is permissible. The equipment may only be inspected during a stoppage in play

Jewellery is not permitted and cannot be taped. Medic Alert bracelets and necklaces are the exception provided that they are fastened securely so as not to bring danger to any other player. The referee should be aware of any player that is wearing one of these.

Sports hijabs / headscarves are permitted.

Referees have the final say on the safety of equipment.
